Foreword by the President of the Jordan Karate Federation (JKF)

Dear President / General Secretary of the National Federation of the AKF

Dear Friends,

The Asian Karate Federation has accorded the Jordan Karate Federation the honor to host the 15th Asian Karate Federation Senior (Men & Women) Championship, to be held in Amman between the 11th and the 15th of July 2018.

On behalf of the Jordan Karate Federation, it is my great pleasure to have the opportunity to welcome your National Federation to Amman and see you actively participate in the above-mentioned championships.

We will be honored to welcome your delegation in Jordan, commonly known as “The Peaceful, Safe and Historical Country”, and indeed in its glorious, beautiful and mountainous capital city Amman, also known in history as “Philadelphia”. Amman was once one of the Roman Decapolis, and now it provides its visitors with historical and cultural destinations due to its vast number of archaeological sites and museums.

Amman also offers its visitors with great accommodations, restaurants, various activities and shopping for everyone. Whilst a tourist can experience bargaining in the downtown bazaar of “Sooq Al-Bukharia” seeking antiques, rugs, copper, oriental gifts and souvenirs; others may enjoy shopping for the latest fashion trends in one of Amman’s several magnificent malls.

With the participation and cooperation of the big Karate Family of Asia, we are proud to host the Championships, and we will do our utmost to make it a special, successful and a memorable event.

We very much look forward to welcoming you all in Jordan this coming July.

Dr. Mouin Abdel-Majid Faouri

President of the Jordan Karate Federation

Foreword by the President of the World Karate Federation (WKF)

The 15th edition of the AKF Senior Championships will be a unique and thrilling sports event, and I am sure that we can look forward to a top-class competition at the tournament to be held in Amman (Jordan) from July 11 to 15, 2018.

As our sport is getting closer and closer to its highly-anticipated debut at the Olympic Games Tokyo 2020, the importance of the continental championships cannot be overstated. The main tournaments of our continental confederations have become the launching pad for many athletes in their Olympic journey, as they find in these events the perfect stage to demonstrate their abilities and to achieve their rewards to many months of hard work.

The biggest events at continental level such as the AKF Senior Championships also help us manifest the growing popularity and the universality of our sport. Nearly 700 athletes from 24 Asian countries participated at the last edition of the tournament which was held in Kazakhstan, with 14 nations taking home medals. This number is expected to be increased this year in Amman, as the 2018 AKF Senior Championships will not only be a spectacular showcase of the best Asian karatekas. It will also be a landmark event for the region.

I'd like to take this opportunity to thank the AKF and its president Mr Kuang-Huei Chang as well as the Jordan Karate Federation for their enthusiasm and contribution to the progress of Karate in Asia. I am sure that the event will be a big success and I wish the best of luck to all the competitors clashing for the medals there.

Antonio Espinós

President of the World Karate Federation

Foreword by the President of the Asian Karate Federation (AKF)

The 15th AKF Senior Championship is one of the most important Karate Championship for all Karate athletes in Asia, for the year 2018. It is the only Championship in Asia that allows the athletes to win ranking points for the Olympic qualification.

I believe the 15th edition of Asian Senior Championship, with the support of Jordan Karatedo Federation and the Jordan Government, will be a very successful event.

Further, we have made some changes to not only conform to WKF policies, rules and regulations, but to make the Asian Championship a better Championship. These changes have been communicated to all National Federations in the past few months, and I believe it will contribute positively to the Asian Championship.

Finally, I wish everyone a successful championship and look forward to meeting up with you again in the historic city of Amman.

Chang, Kuang-Huei

President of the Asian Karate Federation

JORDAN AT A GLANCE

(<http://international.visitjordan.com/generalinformation/jordanataglace.aspx>)

The Hashemite Kingdom of Jordan, which once captivated ancient travellers, continues to enthrall a whole new generation as a modern, vibrant nation.

From the haunting, primeval starkness of Wadi Rum, to the teeming centre of urban Amman, from the majestic ruins of bygone civilizations to the timeless splendour of the Dead Sea, Jordan is unveiled as a unique destination offering breathtaking and mysterious sights, high standard accommodations, exquisite cuisine and countless activities that can provide visitors with inspiration, motivation, and rejuvenation.

Marveling at herds of gazelles and oryx and migrating birds, camping amidst the grandeur of Wadi Rum or Dana Reserve, trekking the ancient caravan trails from the highlands of Moab and Edom, hiking the wooded hills of biblical Gilead, or experiencing the unique, cleansing mud baths of the Dead Sea are just a few examples of the treasures awaiting visitors to this unique kingdom.

The new stream of luxury hotels emerging in Amman, Petra, Aqaba and the Dead Sea is just adding quality to a refined product that is distinct, accessible and friendly; a product that is home to a new display of modern meeting facilities and unique venues for incentive travel as well.

Whether it is a sports event, a conference, a dinner in the peerless desert of Wadi Rum, a barbecue at the shores of the Dead Sea, or a reception atop a medieval castle overlooking the Jordan Valley, the amicable and competent people of Jordan will ensure a memorable, once in a lifetime experience.

Amman at a Glance

Amman, the capital of Jordan, is a fascinating city of contrasts – a unique blend of old and new, ideally situated on a hilly area between the desert and the fertile Jordan Valley

In the commercial heart of the city, ultra-modern buildings, hotels, smart restaurants, art galleries and boutiques rub shoulders comfortably with traditional coffee shops and tiny artisans' workshops. Everywhere there is evidence of the city's much older past.
